5. Check your email to **verify your account**. **DO THIS FIRST!** It'll **redirect you to the creation of your avatar page**.

6. Step 1: Choose your **body type** (see below for image)

7. Step 2: You can take a photo of yourself or use a different file. You can also continue **without a photo** (recommend this to play around with avatar)!

8. Step 3: You can **pick an avatar** instead and just change it around. Then click next!

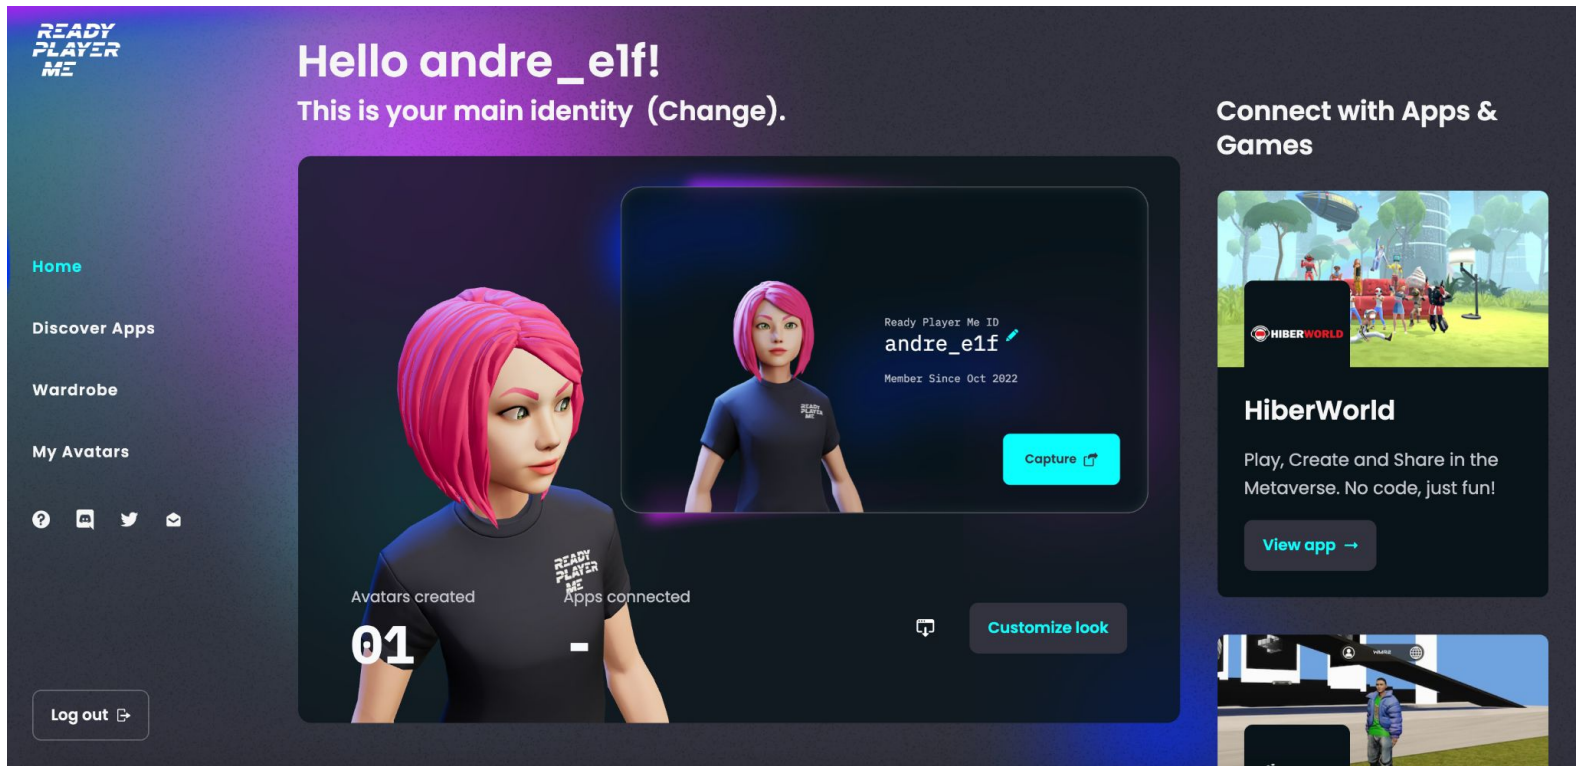

9. Play around with the **different features** - from hair, facial features, clothing, etc. When you're ready, click on **enter hub** at the top right.

Play around with features here.

10. Your avatar will load and you'll see a page that looks like this!

## Part 2: Going to the 228Accelerator Metaverse House!

1. Open a new tab and go to this link:

<https://somniaespace.com/parcel/259?elv=-0.7>

Note: Sometimes it takes a while to load, but you will eventually get a page that looks like this:

2. Click on **Log In** and then **Sign Up** (You have to create a new account here). Page looks like the image on next page.

Please Complete to Create your Account

3. Click on **Create Account** and on the next page, **click on "Log In"** after **entering credentials**.

4. Once you log in, you'll have the option to use classic OR **customize** (use the one you created). If you click custom, ***your avatar should appear there***. If not, it may ask you to **redesign** the avatar you created - same interface as Ready, Set, Play.

5. Once you selected your avatar (or created a new one), you'll immediately load into the 228Accelerator Metaverse House. Take some time to get use to the movement. Some things you might want to be able to use:

- Chat box on the left
- Moving around and to the House
- Go the mic!
- Find the mic on the top right
- Click on this icon on the right to dance, wave, and do other emotions.
